EDUCATION

University of Lahore (Pakistan)   **Lahore**

Bachelors in Software Engineering   *Expected Graduation, 2027*

PROJECTS

[Zayrah](#)

Full Stack E-commerce Website   *May 2025*

- Developed using the MERN stack with a responsive UI built using React and Tailwind CSS, implemented full authentication with JWT, role-based routing, product management, Stripe-integrated checkout, and contributed to backend APIs for real-time functionality.

[Zayr](#)

E-commerce Website Frontend   *April 2025*

- Built with React and React Router, featuring category-based product listings (Men, Women, Kids), custom CSS styling, smooth navigation with a functional Navbar, login/signup pages, and a fully functional Cart page.
